“QUALITY POLICY”

EDDLUX FOR STEEL MANUFACTURING is committed to manufacturing and supplying High Quality Prefabricated Porta Cabins and Oil & Rig Containers as well as Structural Insulated Panels Modules for our clients.

Quality is important and we are committed to continues improvement throughout the company to support our aim of total customer satisfactions.

We have established a comprehensive quality assurance system that allows our company to meet all of the requirements of ISO 9001: 2015 **Quality Management System Standard**.

Our quality assurance system concentrations on the following principals:

- Quality is everyone's responsibilities
- Customer Satisfaction
- Timely Delivery to our clients
- Measurable quality objectives
- Improving manufacturing procedures
- Enhancing the capability and skills of our employees through training and development.

To achieve sustainable growth and profitability for all interested parties, EDDLUX management will continuously monitor, evaluate and improve the company's performance by adhering to an effective quality management system that is in line with the context and strategic direction of the EDDLUX.

This Quality Policy is posted and maintained as documented information, communicated throughout the organization and presented to interested parties for continual improvement of the company **Quality Management System**.

Signed:
